FMHS DIRECTORS

MR. SCOTT TAYLOR

Mr. Taylor has been the head of Flower Mound High School's Theatre Department for over 20 years. In those years, he's directed over 80 shows. Mr. Taylor graduated from Texas Tech University where he studied Music Education (with a vocal emphasis) and Theatre Education. Upon graduation, he moved to New York City, where he worked as an actor, music director, director, vocal coach, and yes... a waiter. While in New York, Mr. Taylor helped to produce over 80 musicals and assisted the creator of more than 10 new children's shows. He spent 12 wonderful years in New York, "living the life of the gypsy." Although Mr. Taylor loved his time in New York, he knew it was time to come back home and do what he loves... teach. While at Flower Mound, Mr. Taylor has taken One Act Plays to state competition five times and Region competition seven times. He is constantly amazed at the talent Flower Mound brings, and continues to be overly proud of his students near and far who are making magic wherever they go.

FMHS DIRECTORS

MRS. KELI WILSON

Mrs. Wilson has been teaching theatre for the past 21 years, with the last 17 of them at Flower Mound High School. Even though she started her theatre career as an actress, Mrs. Wilson soon discovered that she loved the technical side of theatre just as much. She graduated from Texas Women's University with a BA in Theatre and has worked professionally as a props artisan and scenic painter in Texas and Massachusetts. As an educator, Mrs. Wilson has worked on 100+ productions as a director and/or designer including 19 One Act Plays, where she has competed on the state level five times. When she's not in the theatre, you can find her knitting, cooking or spending time with her husband, Bryan, daughter Lily, and son Elvis. She is currently the costume designer for all of FMHS's play productions and director of the Studio 'Prents.

MRS. CAMILLE HALEY

Camille Haley is in her 14th year as a theatre educator and her second year at FMHS. She holds a B.A. in Drama from Texas Woman's University and an M.A. in Theatre Education from Emerson College. Mrs. Haley served as Theatre Director at Richland High School prior to joining the Flower Mound High School team. She was awarded the Bayard H. Friedman HERO Award as part of the Betty Lynn Buckley Awards in 2016 and Teacher of the Year at Celina High School in 2010. UIL accomplishments include State Qualification in 2018 and multiple advancements to the Area and Region levels of competition throughout her career. She has a profound passion for teaching and directing and is incredibly excited to work with the talented students at FMHS. When not in the theatre Mrs. Haley loves traveling, reading, and spending time with her family.

MR. JOHN PATTERSON

John Patterson attended Baylor University and received a degree in Theatre Performance. After graduation, Mr. Patterson moved to Los Angeles and worked at the Geffen Playhouse as a carpenter, but quickly advanced to the lead carpenter position. While in LA, he also worked part-time at the LA Film School, the Wallis Annenberg Center for the Performing Arts, and did some freelance carpentry. After two years in LA, Mr. Patterson moved back to Texas and worked at the Dallas Theater Center as their full-time welder. Four years ago, he had the opportunity to fill in as a long-term theatre substitute, and he realized he could combine his two passions for theater and teaching. Mr. Patterson is in his fifth year of full-time teaching at Flower Mound High School this year.

CELEBRATE TOGETHER MULTIGENERATIONAL TRAVEL

In today's world family time is at a premium. Both parents are often in the work force. Kids are active in sports, clubs and activities. Teens have after-school jobs and busy social calendars and everyone is glued to their cell phone. At the same time, baby boomers (and plus) are healthier and wealthier than previous generations and they value travel and family.

Reconnecting through travel is a wonderful way to keep family ties strong and maintain relationships across generations. For young children and grandparents, spending time together fosters their special relationship, which can focus on fun and learning about family history and each other.

It's important to find a vacation package that will appeal to the majority of family members, and remain within everyone's budget. Speak to an Expedia Cruises™ Vacation Consultant who can help you feel inspired and start planning a family vacation of a lifetime!
