Director Reports:

Mr. Taylor-Thanks for being here. Thank you so much for all your hard work to make the musical happen. It was a great success and well received. OAP is going strong. The show is on its feet and the kids are really working hard. The first clinic is this Saturday, kids will come around noon. The group should be back around 7 pm. The next clinic will be on a school day and will require the kids to be here very early. First contest is March 5 at Irving Singley. We host district on March 13-14. A rehearsal has been added on March 7 to give us another Saturday to work on the play. Mr. Russell is giving them the ability to go and watch the other half of the schools compete on March 6.

Mr. Valentine-Thanks again for everything musical related. We would love to have you all come out on Feb 18 and 19 for the duet scene showcase. It is going to be a good thing and way for the kids to earn scholarships for summer camps. Our spring show is underway and we are learning a lot. The Stage Prents show will be on April 22 and 24.

Mrs. Wilson-Thank you so much for being here. We started auditions for the spring production today. A Girl Called Opal is the play. The Studio Prents show will be on April 21 and 23. We need someone to take the dry cleaning to the cleaners. Alyson Bumpass volunteered. We will be performing at the 9th grade campus in the cafeteria. Lighting is not ideal, so we are looking for lamps that do not have to be plugged in, the type of lamp that you might put in your living room, nothing too modern. Lanterns that have battery operated candles. Studio Prent students are required to watch OAP rehearsals so February 18 and the other date they can choose.

Mr. Patterson-Most of the students have submitted their UIL designs for state. We are looking for camping chairs-2, medical supplies as in items that nurses would carry and other medical items.
